

Federal Preparedness Grant Programs
October 2009

NIMS compliance requirements are included in the grant guidance for all federal preparedness grants. It can be found under “Eligibility Information” and will state: “*To be eligible to receive funds, applicants must meet NIMS compliance requirements.*”

Grants which are managed by Grant County Emergency Management (pass-thru) are highlighted blue in the following list. The remainder of programs listed also require NIMS compliance, however your agency would apply directly to the grantmaking agency for those funds.

This list is not all-inclusive. Please refer to the grant guidance for any grant you are considering.
